

Financial Institutions and Associations – Elite Agent Merchant Referral Program

Elite Payment Systems Agent Referral Program enables banks, savings and loans, credit unions and associations to process and manage virtually every type of payment and the ability to offer a variety of competitive financial products to your commercial clients. Our program is customizable to meet the specific needs and goals that includes our 24X7 Customer Care. Our team works very hard to ensure that all your referred business customers process hassle free. We offer excellent pricing programs to fit all of your business customer needs, and in turn this allows your customers and members to get the best processing program designed just for them!

Elite has a complete suite of products and services that includes card terminals, check products, gift cards, ATM options, POS systems, EMV mobile products, ecommerce, integration options and more. We assist all of our partners with their client's portfolio along with evaluation, sales calls, product demonstrations, customer seminars and bank or merchant training, so you can grow your portfolio and revenue without having to increase staff. *Let us do the work for you!*

Rest assured in the knowledge that all your customers will be serviced with a level of service and care that reflects your operating philosophy.

- Receive dedicated sales and marketing support
- Revenue share programs - *earn a great residual that keeps growing with each signed referral*
- Elite will do the work AND there is no risk to the financial institution or association
